Demographics
Population: Stats NZ 5th / 95th percentile
16,060
27,119
Household size: Stats NZ High / Low variant
20,419
22,981
Household size after 2043: flat
21,578
Household size after 2043: secant-slope taper
21,520
Household size after 2043: taper from the PCHIP end slope
21,436
Housing stock & calibration
Completion rate 0.92 / 0.96
20,673
21,879
Completion lag on (Little's law)
22,087
No census under-construction correction
22,553
Dwelling-size window 2016-2025
22,606
2026 overbuild: payback at absorption 0.20 / 0.10 a year
20,624 / 20,730
2026 overbuild booked as stock-neutral redevelopment
21,426
2026 overbuild gap vs the 2026 requirement
21,844
Replacement scenario
Low / High replacement
20,311
23,361
Replacement half-life 5 / 15 yr
20,936
21,973
